R. Caicedo

To Carmen -  
Best wishes to  
a lovely young  
lady. It has been  
very nice having  
you in my English  
class. R Perlman

Hoping you the  
best of luck in  
the future.  
Rosemaria

# IN APPRECIATION

We should like to express our collective appreciation to Mrs. Janeth Fox who has been the advisor to senior classes for twenty-two years. Her supervision of many proms, boat rides, yearbooks, and graduations has made for many fond memories among thousands of Jefferson graduates and their parents.

As a member of the art department, she has encouraged many pupils to develop their talents. Her mechanical drawing students have made their place in industry. Her classes have appreciated her conscientious endeavors in their behalf.

Mrs. Fox symbolizes the devoted Jefferson teachers who have helped the school and its students through the years.

MRS. JANETH FOX

# DEDICATION

This book is dedicated to you, a senior in the graduating class of 1972, in recognition for the work that you have done in the past four years. For only you will remember the hours that were spent studying for exams, the exercise expended running from the first to the fifth floor, the little disappointments and the unexpected pleasures, the lunchroom scene, the Championship game which brought us all together and brought glory to all of us, and so many other experiences that only you had. These are your memories and no one can take them away.

And so, you shall be the ones to really appreciate Jefferson for what it was, what it is, and what it will mean in your life.

BROOKLYN  
NEW YORK

Margaret C. Baird  
Principal

Dear Graduates,

As we begin to prepare this yearbook, we realize that your graduation day is fast approaching. Very soon you will be leaving us to make your way in the world. Though we shall miss you, we must accept the fact that it is right and proper for you to move on to the next phase of your life, which hopefully, will include college and a satisfying job.

This yearbook is a reflection of the many experiences you have had during the three or four years you have spent with us at Thomas Jefferson High School. It indicates the wide variety of curricular offerings which have been available to you in your academic subjects, in the arts and in physical education. It documents your fine achievements in all of these areas.

Treasure this book, for as the years go by it will become the one readily available reminder of your high school years and of your friends and teachers whose memories you cherish.

I want to assure you that we shall always be interested in your progress. Our hopes for you are very high.

My very best wishes to you for a successful and happy future.

Sincerely yours,

*Margaret C. Baird*

## Fellow Graduates:

When we entered Jefferson, many of us did not know the powers of our minds. We are now aware of our capabilities and have learned to channel our intellectual energies more effectively.

Jefferson is an integral part of the cornerstone of our lives. It is the basis for the strengths which will help us achieve our goal.

Good-bye, fellow graduates. May we all go forward, looking back in appreciation for the guidance we have gained from our experiences in the past four years.

# Jefferson Wins Crown

Climaxing an all-winning season for the first time in Jeff history, the Big Orange Wave reached tidal proportions in the P.S.A.L. Championship game by defeating Bayside 48-8 before an enthusiastic crowd of 3,000.

Jefferson struck first on runs of 52 and 56 yards by Al Wilson and Alex Hall. Still in the first quarter, Paez hit Hall on a 32 yd. scoring pass. Unscored on in seven previous games, Bayside was stunned by the sudden swiftness of the scoring thrusts of the Big Orange Grid machine.

In the second period, William Nelson and Al Wilson scored on short runs for the Orange Wave. Cliff Cranford, a cornerback, and Rob Jones, a linebacker, picked off two Bayside aeriels and Cranford returned his for an 80 yd. touchdown.

In winning the first P.S.A.L. Championship game based on a nine game schedule, Jefferson proved its "Mountain Lion" defense was second to none. Bayside, a fine running team, found its attack continually blunted by Sam Holmes, Willie Clark, Rob Jones, Tony Middleton, Rhett Thomas and Tom Kirkland. Putting pressure on the Bayside quarterback all game were Al Wilson and Phil Andrews. Allen Murray, William Nelson, Herbert Reid, Cliff Cranford and Alex Hall played their usual brand of football in the defensive secondary.

At the end of the game a panel of coaches and sportswriters selected Rob Jones as the outstanding defensive player in the game. Alex Hall took offensive honors. Both received awards for their fine play. Mrs. Margaret Baird, Principal, and head coach, Moe Finkelstein accepted the silver trophy cup awarded by the New York **Daily News**.

mistakes.

## BASKETBALL

The Jefferson Varsity Basketball Team had another successful season, compiling a league record of 7 wins and 3 losses, and finishing tied for second place.

The team was led by All-American Phil Sellers who averaged 33 points and 25 rebounds a game. Co-Captain Don Williams contributed over 20 points a game, while Jerry Williams hauled in 10 rebounds a game. The spark of the team was "Cuba" Sangroni who thrilled the crowd with his sparkling passes and fantastic defensive plays.

Both Phil Sellers and Don Williams were given post-season awards. Phil was chosen on two All-City teams and was picked as New York City's outstanding player by the P.S.A.L. In addition to this, he was chosen for the "Dapper Dan" Tournament, the most prestigious tournament in which a high school player can participate. Donald was chosen as Honorable Mention All-City by two newspapers.

Coach Jerry Wichern is looking forward to another good season next year with veterans Jeff Chapman, Don Ingram, Don Thomas, Howie Francis, Artie Yates, Anselmo Lopez and James Williams returning. J.V. Coach Clarence Kapers has many fine prospects who should bolster next year's squad.

Phillip A. Sellers, Captain

## SWIMMING TEAM

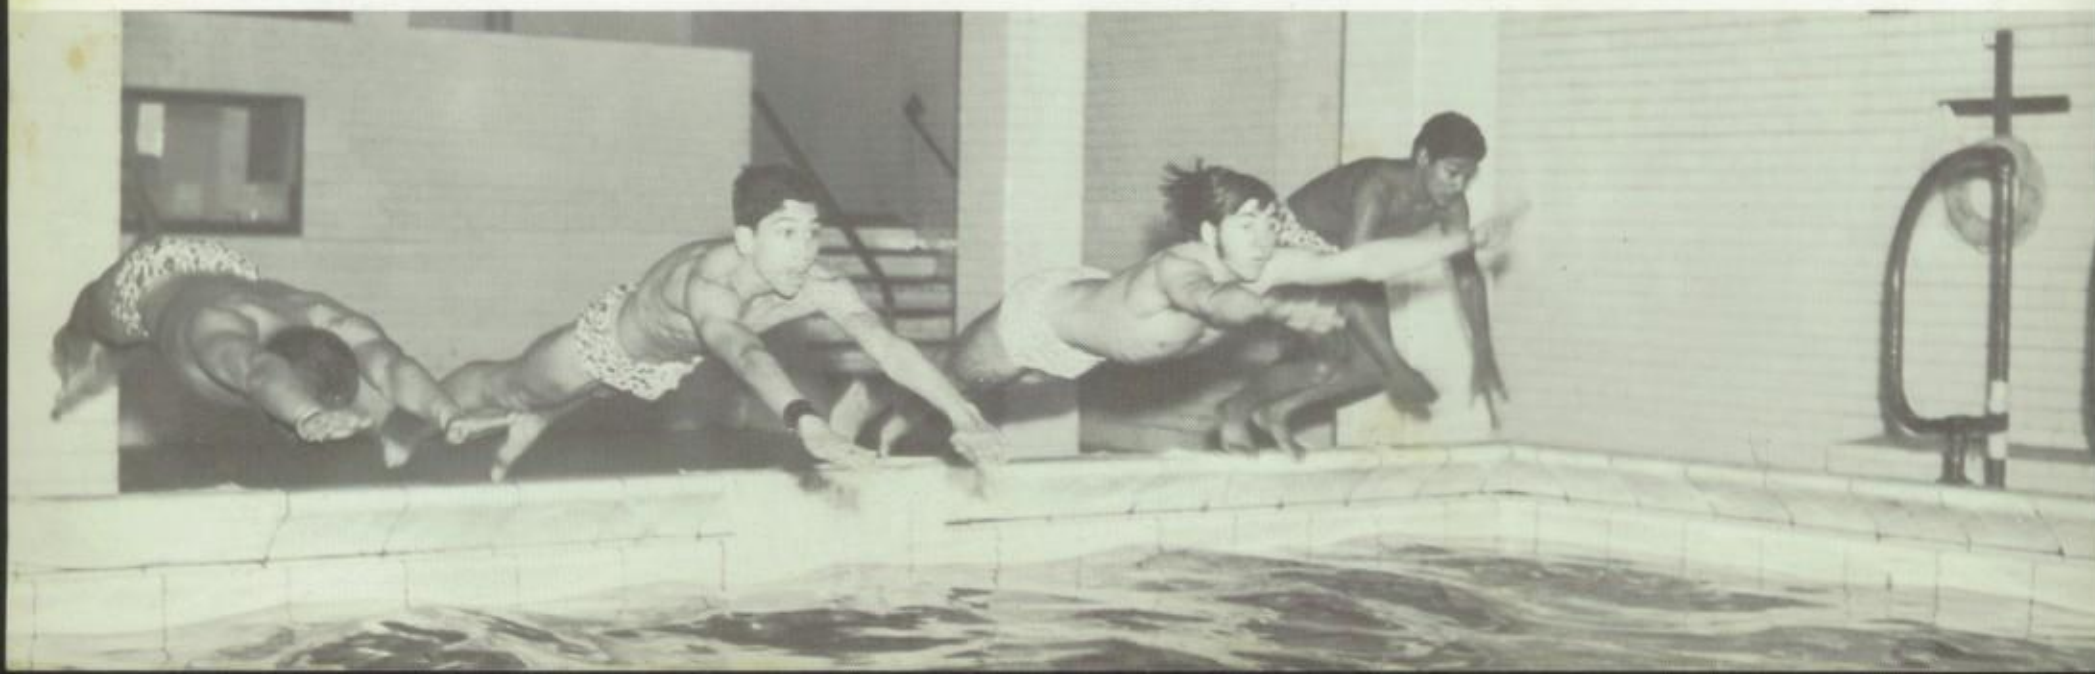

This year the Swimming Team had practically the same record as last year, finishing the season with two wins and three losses.

Our big man this year in the swimming competition was our captain, Frank Reese. Our key men in diving were "Baldo" Cancel and Joel Shankman. "Baldo", better known as "Batman", hasn't been de-

feated in over thirty meets, which is a team record.

Our team wouldn't be anything if it was not for one man, our coach, Mr. George Rosenblum. It is he who gave us our spirit to compete. True, we may not be that great, but we build character!

Joel Shankman

# VARSITY VOLLEYBALL TEAM

The Girls' Volleyball Team is a very unique team, not only in the sense that it was undefeated in division play, but also in the sense that it has a coach, Johanna Schwenke, who made the members of the team realize the necessity for team work. Seeing the girls play reveals the unlimited team effort and dedication that they possess.

Although the team did not achieve its ultimate goal, they showed unity and sportsmanship.

Sherrée Culvert

# SWIMMING TEAM

The Girls' Swimming Team, coached by Ron Leiser, is a group of talented and hardworking competitors. The team holds workouts every day after the eighth period; the practices are very demanding, and only the best swimmers qualify.

The girls on the team are: Iris Jiminez, Ingrid Hulse, Yolanda Colon, Santa Guzman, Gwen Colon, Mancy Alleyne, Yvette Arrindel, Marie Campbell, Chamile Chavez, and Maria Ramos.

Ruth Richardson, Manager

# SOCCER TEAM

The Soccer Team started its season under the guidance of Coach, Phil Coleman, and eight players from the previous season. At the end of the season we were rated among the top ten schools in the city. Two players, Michael Grudge and Glen "Scorcher" Goldson were selected for the All City team.

Although the team is losing its four most distinguished players (Goldson, Ponton, Grudge and Angrand), we are looking forward to a successful season next year. This year's team consisted of the following players: Freddy Ponton (Capt.), Glen Goldson (Co-Capt.), Michael Grudge (Co-Capt.), Jorge Paz, Washington Torres, Guy Angrand, Gary Remy, T. Kokos, Lionel Josephs, Leonard Patterson, Claude Remy and Sergio Villota.

Glen "Scorcher" Goldson

# BOWLING TEAM

# LEADERS

The purpose of the Leaders is to provide interested students with the training necessary to help their fellow classmates during activity period. They assist the gym teachers to the best of their ability. During the year they officiate at volleyball and basketball games and help show students the techniques of sports.

Leaders are trained so that they can get the basic skills of leadership. It is a girl's duty to accomplish as much as possible to develop herself into an active Leader. In order to make the gymn classes more active, the Leaders stimulate them by taking part in all the exercises and activities of the class.

Lenora Mitchell, President

# GYMNASTICS CLUB

Every day during the sixth period, one can find a hardworking group of girls performing difficult acrobatic, balancing and gymnastic skills. People who have never been to the gym before at this time are amazed to see what the members of the Gymnastics Club can do.

Health Education instructor Mrs. Theresa Ruggieri and Captain Miriam Valencia run a vigorous club, and because of this there is a turn out of many talented young ladies. These instructors themselves are award winning gymnasts.

The Gymnastics Club has participated in several tournaments and although it is no longer competing, it retires with an undefeated record.

Doris Cales  
Dorothea Bishop

# A BEAUTIFUL DAY—GRADUATION

Here I sit by my window  
and see the sun that brings  
with it a new day,  
a day that will pass so swiftly  
I will not have seen all that  
it offers.

But before this day will end  
my most precious dream will  
have been fulfilled.

With this dawn comes a day  
of joy and much happiness,  
for I take the hands  
of life and enter, to find  
that future that is my own.

With the evening falling  
I find it hard to remember where  
the day has gone.  
With it, it brings a thought of  
sadness for the time has come when  
good-byes have been said to  
teachers, friends, and a place forever.

# KAGATHOS

Kagathos is the honor society of the Girls Physical Education department. We are a small group of Leaders working within the community. We visited hospitals and orphanages during holidays and gave the children toys and books so that they could share the holiday spirit.

Among our many functions are a Field day, an annual Mother-Daughter Dinner and a reunion for former Kagathos members.

Jacqueline Savage, Chancellor

# THE HIKING CLUB

Have you ever seen icicles that were about fifteen feet long or the changing colors of Autumn leaves in the country? Have you ever been on a hiking trip? Many students have because the Hiking Club, together with its advisors, Harriet Goldberg and Howie Schott, has given the opportunity to experience the variety of outdoor surroundings.

A full day's hike is planned every four weeks. A list of names of the participants is compiled and a small fee is charged to cover the cost of the hike.

Finally, the day arrives. After a strange but warm ride with guitars playing, gum cracking, and cassettes blasting, you reach the site. The air is clear, the stream water is sparkling, and you're feeling wonderful as you hike about the park.

After the hike, hunger hits and people eat their lunch, usually sharing what they've brought. An overpowering game of Killball is next on the agenda. After a strong victory or a happy defeat, it's time to return home, bringing back memories of a happy day.

Barbara Smith

AUDIO-VISUAL SQUAD

DRUM CORPS

SENIOR COUNCIL

U.S.O.B.

## MATH TEAM

The Math Team is the last remaining departmental club. Under the leadership of Seymour Rand it serves a dual purpose for students interested in math: firstly, it provides the challenge of working on problems beyond the normal syllabus, and secondly, it provides practice for competition with math teams from other schools.

Albertine Richards

## DANCE BAND

## ARISTA

During the past four years, the Arista membership has expanded considerably. Now, more seniors are attending meetings. Freshmen, Sophomores, and Juniors are now allowed to be members. These qualified students attend meetings regularly.

The desire and determination of our Arista society is to establish an intellectual climate and a good academic standard. Mr. Daniel Dee, faculty advisor; Scheuster Christie, boy leader; and Wanda Bagley and Arlene Bramwell, girl leaders, are responsible for upholding and furthering the aims of Arista for the ultimate good of the school.

Scheuster Christie

## CONCERT BAND

# AURORA STAFF

## THEATRE WORKSHOP

Since its humble but auspicious debut last year, the Theatre Workshop has been a testing ground for the thestrical talent of tomorrow. Its productions run the gamut from the experimental **Chamber Music** to the Broadway style of **Purlie Victorious**.

The workshop, under the direction of Mickey Tennenbaum, offers experience in all phases of theatre, including acting, directing, stage managing and technical work.

The purpose of the Boosters should be easily understood by its name. The girls are carefully selected and must have a definite desire to "Boost" the team's spirit.

The job of a Booster is a very hard one. She must be able to stick by the teams regardless of their success; she must always express hope-filled cheers and smiles of encouragement.

Under the leadership of the Football Captains, Wanda Bagley and Helen Tribble and Basketball Captains, Regina Nelson and Yvette Arrindell, the Boosters have well lived up to their names.

Helen Tribble

## THE BOOSTERS

## CHEERLEADERS

## TWIRLERS

The cold, windy air is filled with nervousness as the band begins to play. Everyone is wondering, "Am I going to drop my baton, and if I do, will anybody see it?"

Twirling a baton isn't as easy as it looks. It calls for lots of practice. It's something you don't have to know beforehand, but it takes a great amount of work and cooperation of all the girls.

This year the Twirlers were led by Captains Terri Curtis and Brenda Sepersaude. The other seniors included Felisha Barnes, Debra Boyland, Valeria Reid and Brenda Sheppard. The faculty adviser is Harvey Kingston.

We can really say that it was more than a pleasure being part of a team that was the sensational City Champion.

Terri Curtis  
Brenda Sepersaude

## TWIRLERS

## HOSTESS CLUB

The Hostess Club, under the leadership of Miss Sally Tannenbaum, has served at many of the school functions. Among these functions are the following: College Night, Senior Day, Arista party, Leaders rally, Kagathos Installation, and many others.

The girls in the Hostess Club find a satisfaction in the knowledge that they have pleased others.

Denice Ebron

## ELECTRONICS CLUB

In October, many students noticed the colorful chart of electronics projects displayed and decided to form a club to construct them.

Work is being done in the physics lab after school on Tuesdays and Thursdays. Club members are doing their own financing; members work after school to save money for the necessary materials. Plans involve lectures and field trips to nearby electronics plants.

In a very close election, Rodney Henderson was elected club president and Armando Francis was voted in as treasurer. Mr. Albert Kolkin is the faculty adviser.

Rodney Henderson

# SEEKERS

The Seekers is a non-structured group of people made up of teachers and students who come together to think up ideas and projects which will help to create a more positive attitude within the school. The many faculty members are represented by our adviser, Margot Braun.

This year saw a highly successful Thanksgiving party for students and their younger brothers and sisters and a mammoth clothing sale. These are but two examples of how the Seekers carry out its motto, LOVE WORKS.

Clinton Gantt, Jr.

# THE CHORUS

# PEOPLE TO PEOPLE

## JEFFERSONIAN

## PRINCIPAL'S CONSULTATIVE COUNCIL

It finally happened—students, teachers, administration and community got together and rapped. About time, huh? But once a month they did get together and communicate. Although Mrs. Baird used the Council to consult her on matters directly affecting the school, she had the final say. The Council approved the Black Solidarity Day program, got the auditorium open for early students, and initiated student representation at faculty conferences.

It is just a beginning and it will get better!

Beatrice Leyba

## LEADERSHIP CLASS

# RELAX!...

. . . it's only a camera.

Our official photographer asked our usually nervous graduates to "warm up" for the camera with a funny face. For permission to use their pictures, good sport honors go to the following graduates . . .

## THE WORLD

The world is like my history class,  
filled with many people, many ideas.

People who argue when they don't agree  
and get mad at each other for  
any little thing.

Unlike the world, when the bell rings  
we go home and forget those little things  
that made us foes.

While the world keeps on spinning,  
waiting and wishing that  
someone would ring her bell.

Lillian Ortiz

# STUDENTS HAVE BEEN HEARD TO SAY . . .

She's absent? Good. A double lunch period  
What? No orange drinks?  
Don't mark him absent, it's only second period.  
Anybody have last night's homework?  
Why can't we have longer weekends?  
I was only late 10½ times.  
Work never hurts anyone, but why take chances?  
I'm not late, the class just started early.  
I went to all my classes except English, Math, Bio,  
Gym . . .  
What? A substitute with lesson plans!  
Oh man! 35 minutes until the period ends.  
She can't be absent. I did my homework!!!  
I don't care if you did see her—she's absent!!  
You can put away the doctors' notes, she's  
postponed the test.  
What! Only a 64 on the Regents!

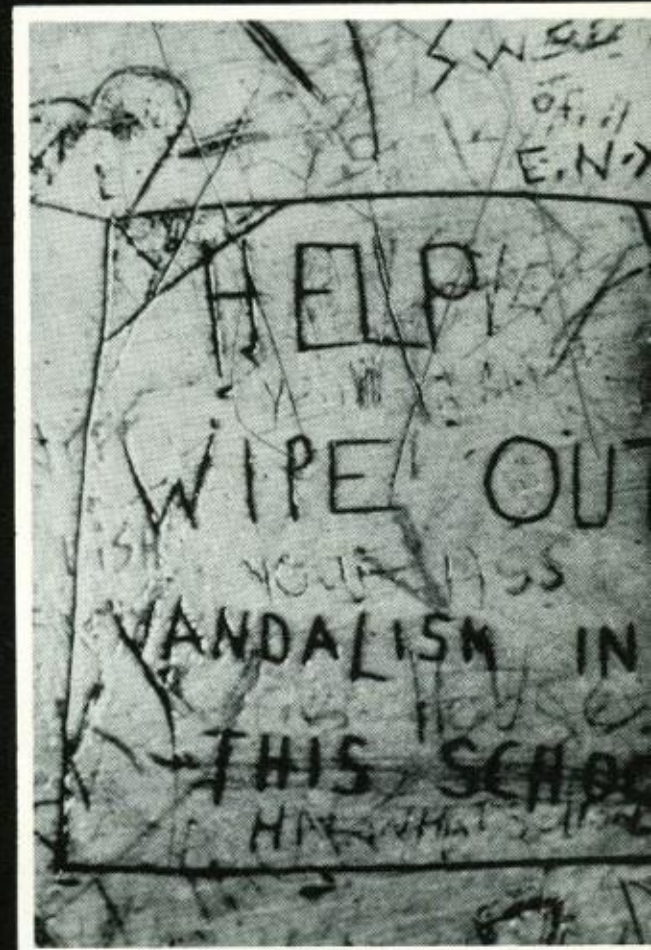

Denise Hackshaw

# EVOLUTION

## A Freshman Thinks

Teach'll get all my  
homeworks on time

I'll pay attention in all  
my classes

I'll study every day

I'll never cheat on a test

I'll show respect to all  
my teachers at all times

Got to keep a 90 average

I'll never cut a class

I'll never throw food in  
the lunchroom

## A Sophomore Thinks

Teach'll get it before  
the end of the term

I know that already, think  
I'll go to sleep

I'll study tomorrow

Maybe just this once

I'll respect the teacher  
who respects me

80's good for lots of  
colleges

Maybe just this once

Bet I can make a basket

Illustrated by Isidro Rivera

# JEFF STYLE

## A Junior Thinks

A homework a week is pretty good

Where's my comic book?

Maybe I'll study tomorrow

Can't see. Move your paper over.

Respect isn't really important

Whew! Got my 75

Hate that class. Let's go to lunch

Wonder how far I can throw this milk

## A Senior Thinks

What d'ya mean I don't do homework? I gave you one last month.

Hey teacher shut up! I can't hear myself

Why study?

What page is the answer on, again?

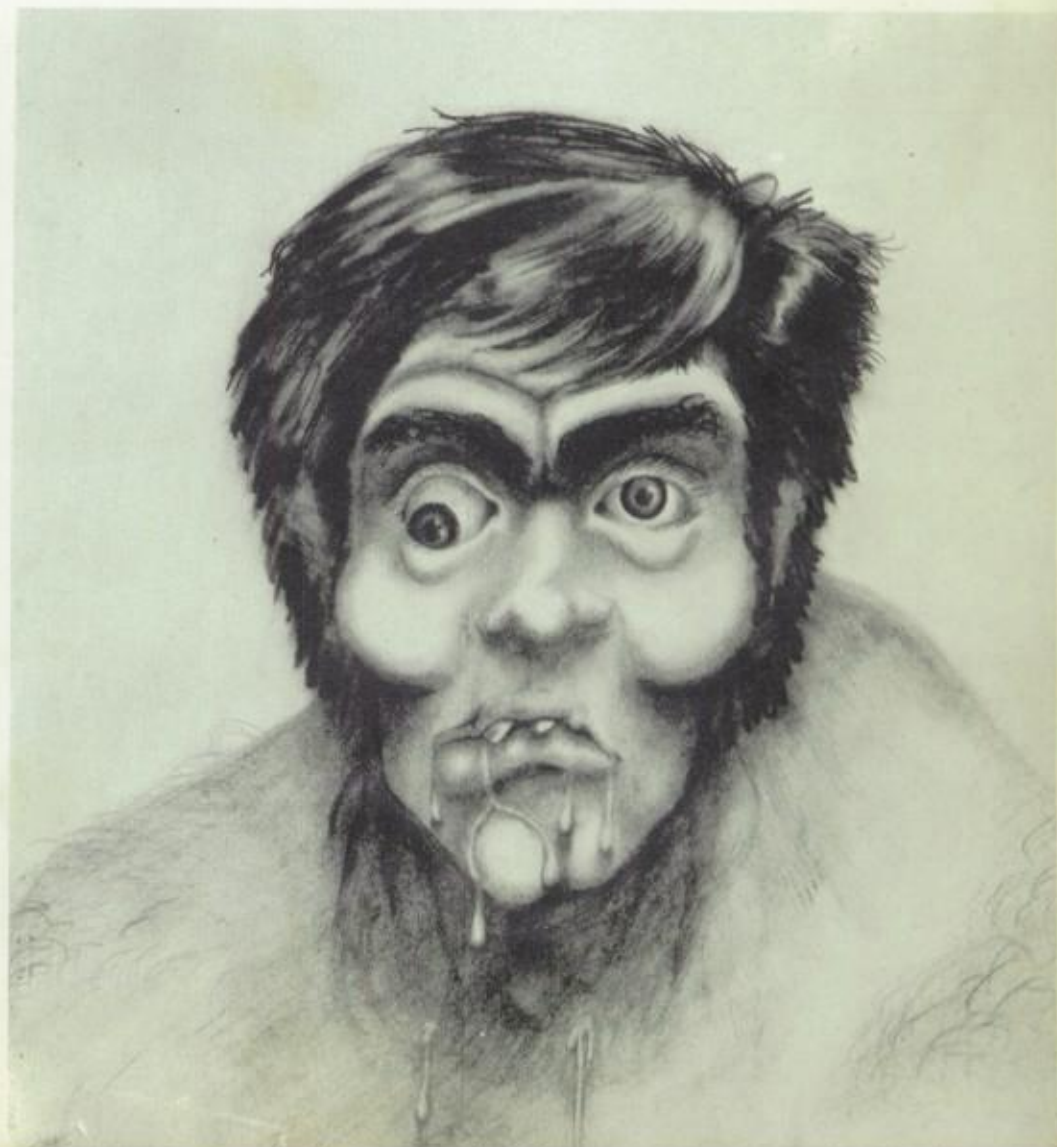

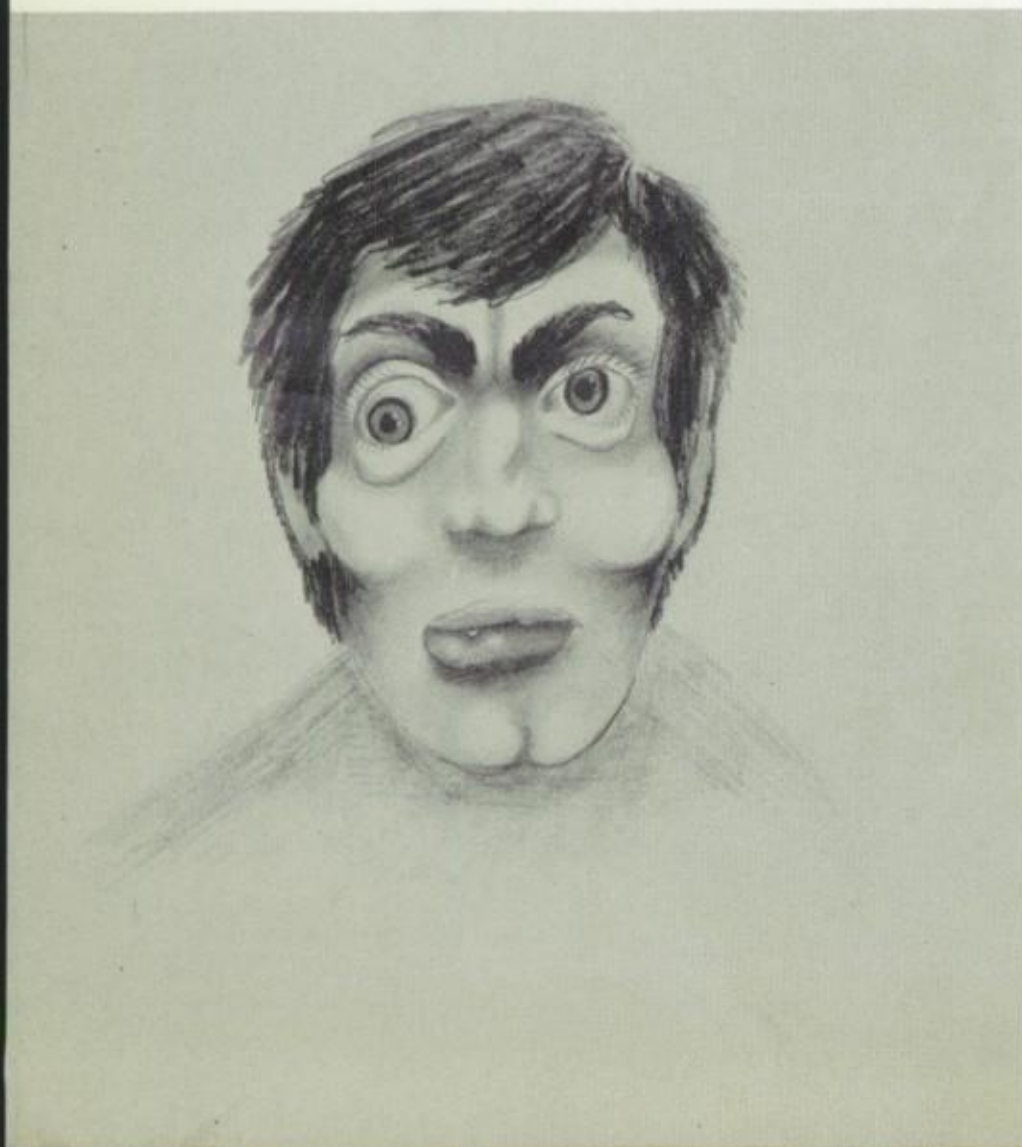

"Hey dummy, you'd better pass me"

65! Least I got over 40

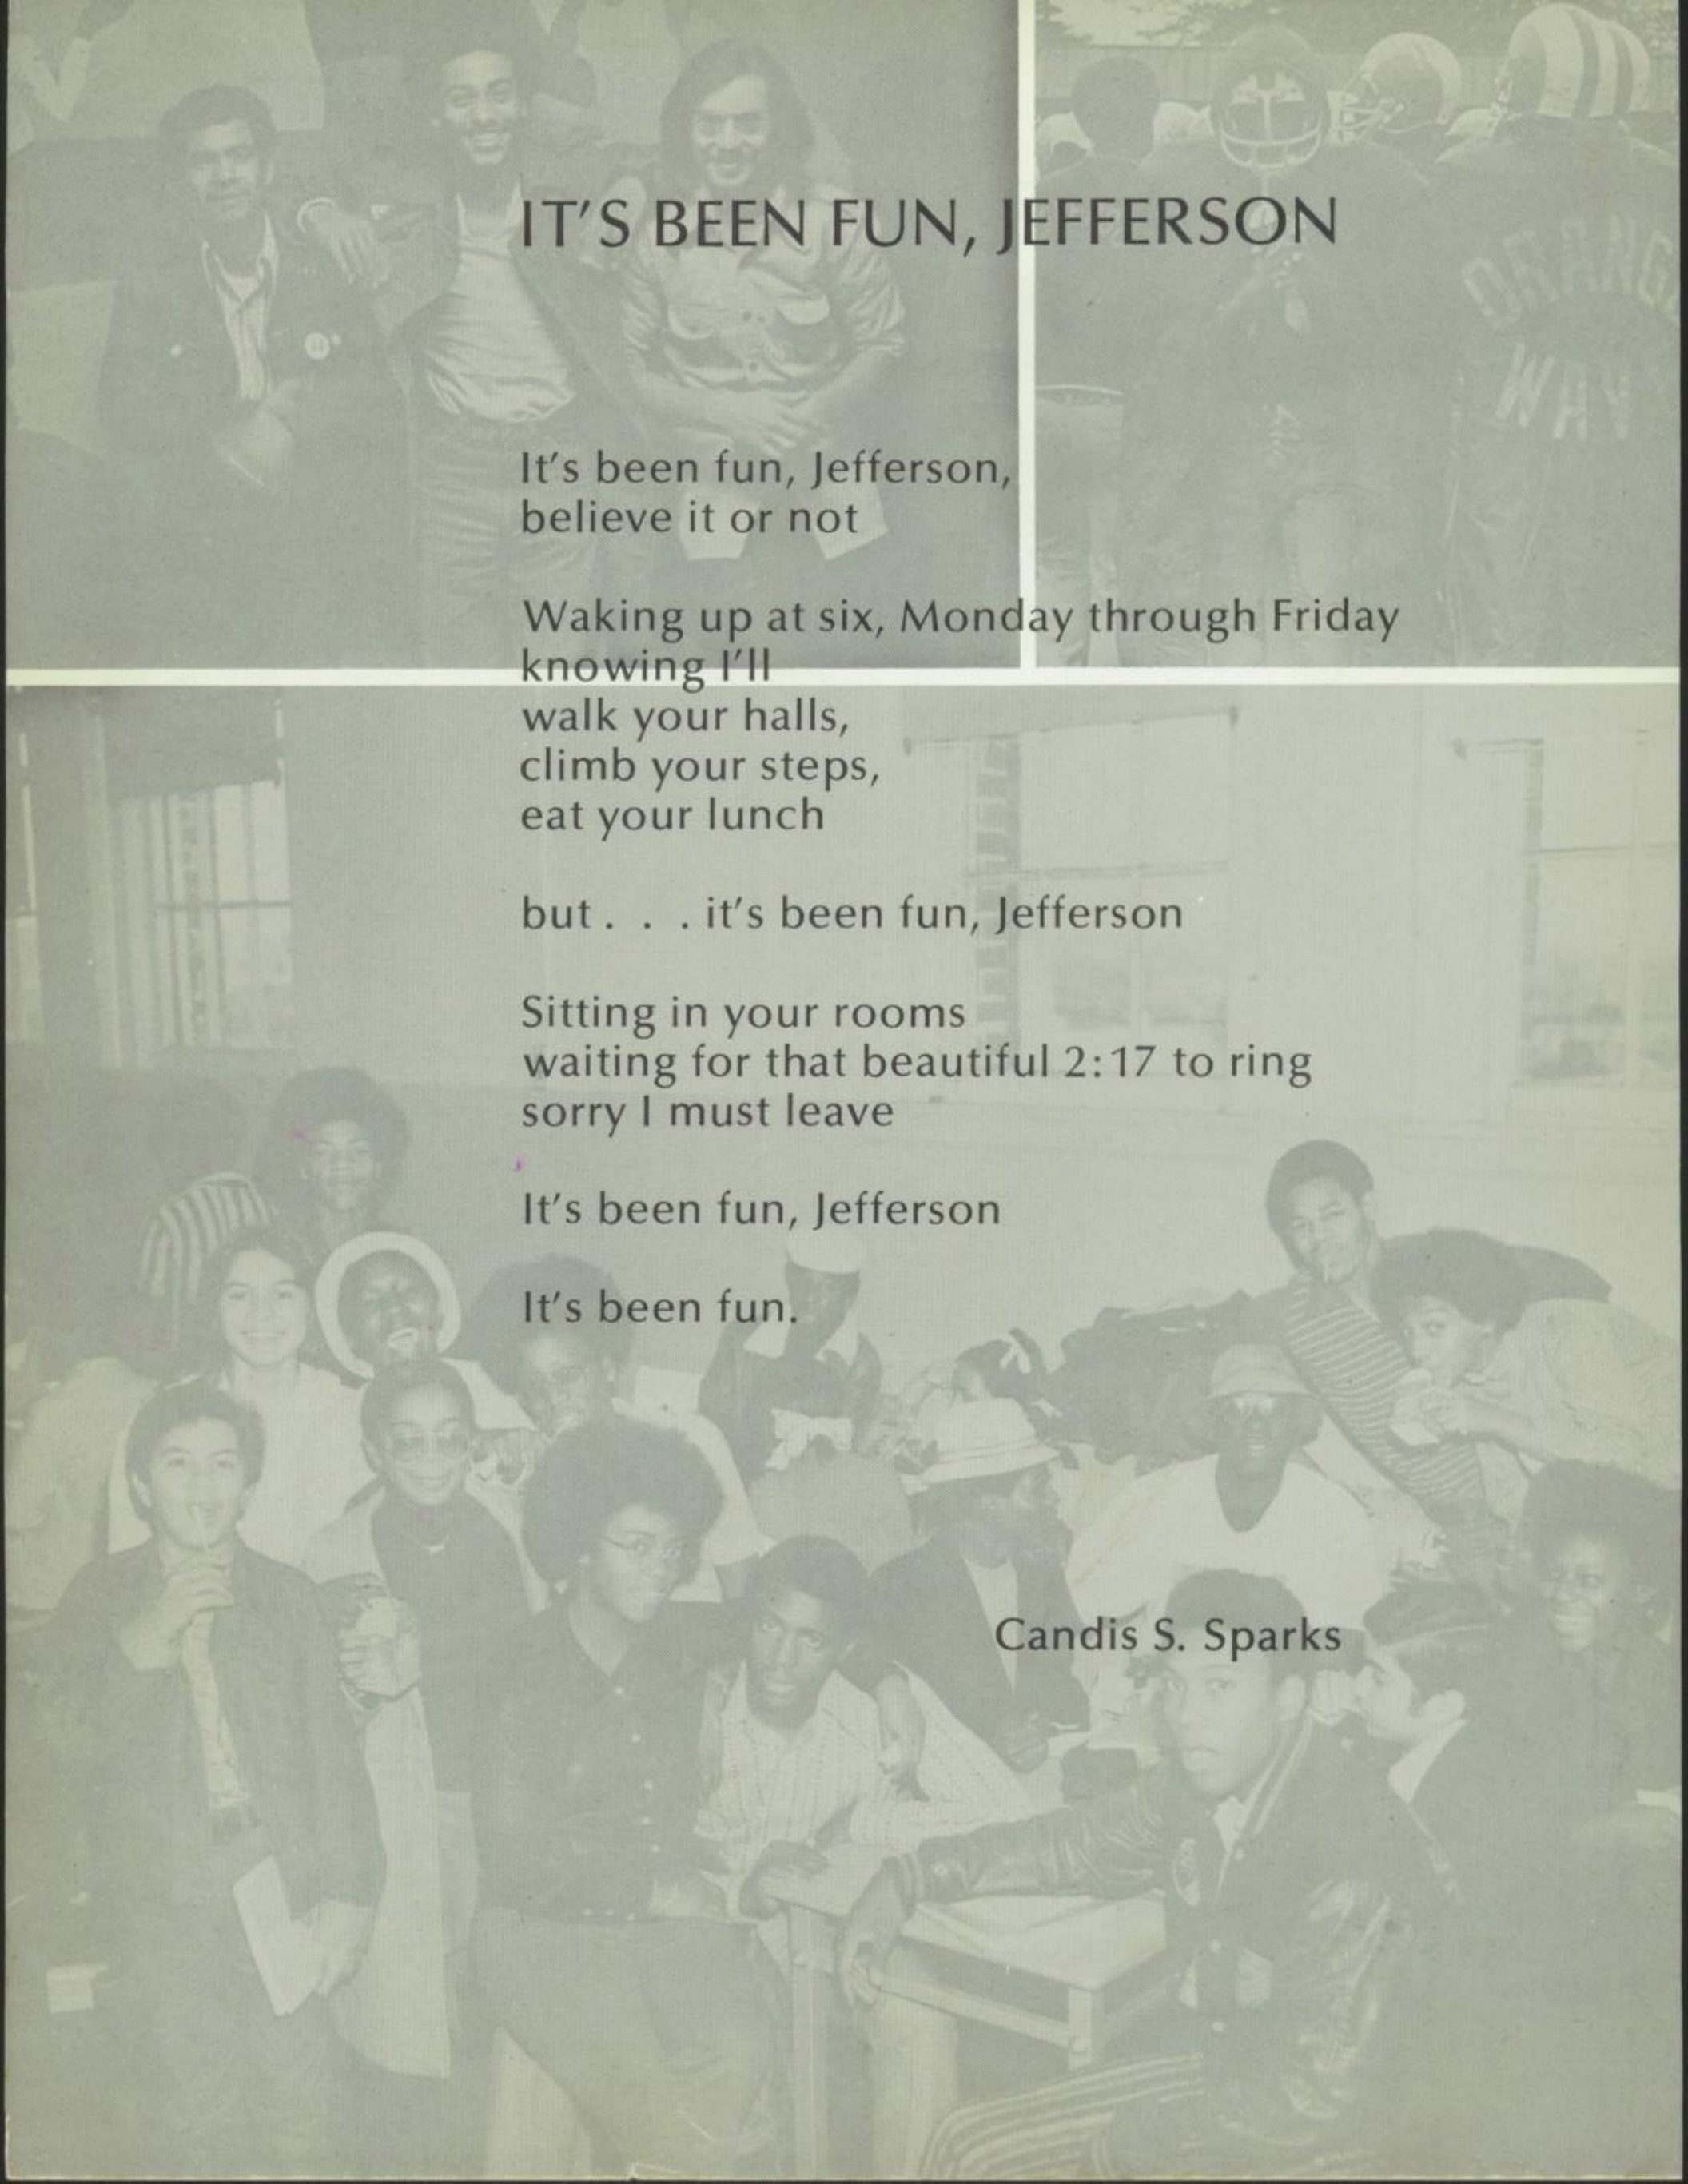

Test today. Let's cut, he gives make-ups

Watch me hit that teacher

Debra Pixley

# IT'S BEEN FUN, JEFFERSON

It's been fun, Jefferson,  
believe it or not

Waking up at six, Monday through Friday  
knowing I'll  
walk your halls,  
climb your steps,  
eat your lunch

but . . . it's been fun, Jefferson

Sitting in your rooms  
waiting for that beautiful 2:17 to ring  
sorry I must leave

It's been fun, Jefferson

It's been fun.

Candis S. Sparks

# AUTOGRAPHS

Dear Carmen,  
You are a lovely  
girl & a great student  
Luck & happiness in  
the future.

Congratulations on  
your graduation & your wedding.  
Cheryl Binder

To the most  
beautiful woman ever  
to graduate from this  
city. May she ever be  
my love with all tenderness  
and compassion.

Yours forever  
David

Carmen,

Thanks for the  
help, and for being  
such a fine student.  
You have something  
great going for you...  
Don't ever lose it.

Best of Luck  
Betsy Manning

Carmen,  
I hope that all your  
goals are accomplished  
and may they be  
with the blessing  
of Jehovah. May he  
guide you always.  
Your Eternal Friend  
Wilagros Ramos
